

## 1966

Lawyer, Mr. L. R. Dalton, who was a member of Morton's Point Camp and Partner of Haskett & Dalton had sent a letter to the Department of the Provincial Secretary and Citizenship to have the Limited Company of Morton's Point Ltd. C - 2455 - S dissolved and transfer fixed assets to the new organization and to change the Head Office address. A reply letter from the Department dated February 15<sup>th</sup> 1966 stated it could not be done so long as the Limited Company was still in existence and that the Camp would have to comply with The Corporations Act and the related Statutes. The Department wrote again on June 17<sup>th</sup>, 1966 asking for the Camp to submit an application for an order accepting the surrender of the letters patent. Again on July 25<sup>th</sup> 1966 the Department requested a reply from their June 17<sup>th</sup> letter. On September 8<sup>th</sup> 1966 the Department sent another letter and copies of the previous 3 to Haskett & Dalton Barristers and Solicitors with carbon copies to Mr. C. G. Teeter and Mr. W. A. Winslow. They noted that since August 27<sup>th</sup> 1965 they have had protracted correspondence with the Corporation and it's agents, concerning it's failure to file a notice of Special Resolution, changing the location of the Head Office from the Town of Walkerville to the City of London (163 Foster, home of Member W. A. Winslow). The delay was that this had to go to the Annual Meeting for a vote.

The vessel licence was dated June 6<sup>th</sup> 1966 and the Retail Sales Tax Official Receipt for the boat licence was dated June 7<sup>th</sup> 1966. In later years this boat was given the name "Pappy Earl".

The Board of Directors / Trustees Meeting was held on October 21<sup>st</sup>, 1966 at the Windsor Club in Windsor. They elected the next Board / Trustee members. A large discussion took place on extending the terms of Trustees to three (3) years from a one (1) year term. It was moved by Jim O'Grady, seconded by Chris Teeter that they recommend to the Members that the newly elected Trustees be elected for a three year term and let the Members vote on it.

At the General Meeting held right after the above meeting, there were 19 members and guest, R. Zander, present. The group approved the cost of \$350.00 for the repairs to the Hyah-Hyah. Chris Teeter donated a water pump to the Camp which was received with sincere gratitude by the membership. The letters from the Department of the Provincial Secretary and Citizenship were discussed and by motion from Norm Keib, seconded by D. Heisler the Head Office was to be moved from the Town of Walkerville to the City of London. Rates for the next season (1967) were set at \$12.00 per day for Members and \$15.00 per day for guests.

The cooks this year were Alice and Ted Scarr who were paid \$550.00 for the season. They remained on as cooks until 1969.

The net loss for 1966 was \$1,560.40 and was related to the purchase of the new boat. The retained earnings of the Camp stood at \$6,012.25 .
