

1977

Ken Hayward had completed and delivered a new steel boat to replace the Hyah Hyah which was retired in 1971. To preserve the name, the new, slightly smaller steel boat was named the second “Hyah Hyah”. The Board of Directors wrote him a letter of compliment and thanks. It was noted in the Annual General Meeting Minutes of October 30th, 1977, that Al Balfour be complimented as well for his supervision over the delivery date of the new Hyah Hyah.

This was a special year for F. B. Isaacs as he was celebrating his 50th anniversary of Camp attendance.

For the first time in Camp History, a member was terminated on January 19th, 1977 by the Board of Directors. Mr. D. W. Al Balfour sent Mr. Selby a letter on November 11th, 1976 asking for payment and told him to cancel his cheque and send a new one but he did not. Mr. Selby was advised of his Termination by letter dated January 19, 1977 and signed by the President John W. Haddow and the Secretary Alan Balfour.
